neufert baentwurfslehre wieselfin.de In the international edition, the publisher emphasized the Baentwurfslehre's importance to modern architecture in particular. For the German edition, the publisher stated that Baentwurfslehre was a cornerstone of the (Neufert's own) architecture theory. One of the publishers interviewed for the German edition was historian Ernst Kister, also a well-known contemporary of Neufert, who refers to the Baentwurfslehre as the last significant contribution to architecture from the Bauhaus.
